## AngioDynamics Completes Acquisition of Microsulis Medical

ALBANY, N.Y., Feb. 1, 2013 (GLOBE NEWSWIRE) -- AngioDynamics (Nasdaq:ANGO), a leading provider of innovative, minimally invasive medical devices for vascular access, surgery, peripheral vascular disease and oncology, today said it has completed the previously announced acquisition of certain assets of Microsulis Medical Ltd.

Microsulis developed the Acculis MTA microwave ablation system, which utilizes a single, high-power, high-frequency 2.45 GHz saline-cooled applicator that may provide advantages to clinicians and patients, including faster ablation of soft tissue.

"We are excited to welcome the Microsulis team to AngioDynamics," said Joseph M. DeVivo, President and CEO of AngioDynamics. "With the addition of microwave, we have a complete offering of thermal and non-thermal technologies, further building on our status as a market-leader in the \$250 million global tissue ablation market."

### About AngioDynamics
